Garden Design Class

***Teacher: Monika Olsen, U.C. Master Gardener.
Garden Manager Pleasant Hill Instructional Garden***

Admired other gardens and wished yours looked as colorful as theirs? Wondered how some gardeners always have something of interest in their garden?

Ready to update your garden? Get a jump on fall gardening. Take the next step and learn some practical, hands-on design to create a colorful, interesting year-round garden of your own. Use design elements to enhance garden aesthetics while discovering beautiful, native, and water-conserving plants to use.

Dates: Fridays, 8/4—8/18/17

Time: 10:00-12:00 noon

**Pleasant Hill Instructional Garden
1 Santa Barbara Rd., Pleasant Hill**
