

Pleasant Hill Instructional Garden Invites You To...

CELEBRATE

Earth Day In the Garden

Sunday, April 30, 2017

1:00-4:00 PM

- Enjoy an afternoon in the Garden with fun activities for kids and adults
- Hear from local experts on topics such as composting, soil - water quality and conservation, beekeeping, garden pollinators, and gardening with native plants
- Take a free tour of the garden led by University of California Master Gardener, Monika Olsen
- Meet with local sustainable organizations including California Native Plant Society, Central Contra Costa Sanitary District, Sustainable Contra Costa, Wild Birds Unlimited, DVC Horticulture Club, Foundation for Pleasant Hill Education Green Team, and more
- Bring your smartphone or device for fun, interactive games in the Garden including the iNaturalist app created by the California Academy of Sciences

Exhibitors
Include:

PHIG is located across from Pleasant Hill Middle School and from Pleasant Oaks Park at One Santa Barbara Road
